CELEBRANT ONLY PACKAGES

Essential Package

£400

This is the perfect choice for those seeking a straightforward, yet uniquely memorable, wedding experience. It includes an initial interview to understand your vision for the ceremony and the inclusion of one reading or poem. We'll work together to draft the ceremony and communicate through email, phone calls, or video calls to finalise the details. We'll visit your chosen venue to familiarise ourselves with the surroundings and make any necessary arrangements. This package includes a ceremonial certificate and a presentation copy of your vows. We'll officiate the ceremony and be available for photographs. We'll also handle the lodging of official paperwork at the Greffe.

Comprehensive Package

£550

For couples wanting more in-depth planning and customisation, our Comprehensive package is for you. In addition to an initial interview, this package includes two readings or poems. After drafting the initial ceremony, we'll meet again to review your draft. A third meeting at the venue gives us the opportunity to establish the ceremony's structure - from the entrance to the standing positions and the signing of documents. Like the Standard Ceremony, this package includes a ceremonial certificate and a presentation copy of your vows and readings or poems. We'll officiate your ceremony, be available for photographs, and maintain contact via email, phone, or video calls. We'll also lodge the official paperwork at the Greffe and assist with the submission of your license.

Bespoke Package

£675

If you're looking for the utmost personalisation, our Bespoke Ceremony package is designed just for you. This package includes everything from the Comprehensive package and more. After the initial interview, a second meeting will be held to discuss your unique 'couple's journey.' This meeting helps us understand your story and weave it into your ceremony. Two readings or poems are included in the ceremony. After a ceremony draft is created, a third meeting will be held to review, make modifications and discuss the inclusion of an optional 'unity element' to further personalise your ceremony. A venue meeting will let us run through the ceremony in detail. This package includes a ceremonial certificate and presentation copies of your vows, service and readings or poems. We'll be there to officiate the ceremony and for photographs. Unlimited contact via email, phone, and video is included, as well as lodging of official paperwork at the Greffe and assistance with your wedding license application. With the Bespoke Ceremony, your wedding will truly reflect your unique journey as a couple. A Sample format for our Bespoke Ceremony is below:
